Subject : **AMENDMENTS TO FORM SAB 189, SCHOOL DISTRICT APPEAL REQUEST**

On March 27, 1996, the State Allocation Board (SAB) requested that additional information be provided as part of the district's appeal request. As a result, the Form SAB 189 has been revised to capture specific information regarding the district's bonding capacity, bonding indebtedness and the developer fee rate charged by the district. If your district has submitted a Form SAB 189 for an appeal that has not yet been addressed by the SAB, this additional information must be provided to the Office of Public School Construction prior to presentation to the SAB.

Attached for your use is a copy of the revised Form SAB 189 (Rev.04/96) which reflects the additional information requested by the SAB. Additionally, this form must be used on all future appeal requests.

If you have any questions or need further assistance, please contact your project manager or call (916) 445-3160.

Sincerely,

OSCAR WRIGHT
Executive Officer
